

TOOLS FOR CHANGE

HOST A TOOL DRIVE

Over 90% of the ToolBank inventory is donated by the community at large. From gently used tools to new product and even gift cards, tool drives empower local groups to complete more and larger service projects. ToolBank staff will provide all the support needed to ensure you can gather all the tools Atlanta volunteers deserve! Tool Drives are easy and fun to organize. Simply pinpoint a host location such as your school, place of worship, or business and let the good times rev.

**Schedule your drive today! Contact Gina Chaves, Director, Communications and Outreach
404.880.0054 x11 or gina.chaves@toolbank.org**
