

A close-up photograph of a person's hands operating a sewing machine. The machine is positioned on a wooden workbench. Several screws are scattered on the table surface. In the foreground, a large metal speed square is visible, featuring the text 'MACKLENSBURG-DUNCAN' and 'SPEED SQUARE' along with various measurement markings. The background is slightly blurred, showing a window with a grid pattern.

The Atlanta ToolBank serves
community-based organizations
by providing tools, equipment
and expertise to empower their
most ambitious goals.

2018
IMPACT

2018 TOOL LENDING

We lend tools to nonprofit and charitable organizations who equip volunteers. Those volunteers complete service projects, making Atlanta a more vibrant and progressive place for everyone. No one helps drive change in the community at the scale the ToolBank does.

2018 Community Impact

Projects Completed:	4,203
Tool Orders Fulfilled:	829
Volunteers Equipped:	43,707
Cost per Volunteer:	\$1.51

\$2,283,294.39 worth of tools were loaned in 2018, with only **\$66,376.07** in tool lending fees, saving member agencies **\$2,216,918.32!**

Environmental Impact

\$769,850.55 worth of tools x 87 member agencies x 17,084 volunteers x \$23,095.52 actual cost = Cleaner parks, new tree plantings, art installations and preserved historical sites.

Youth Impact

\$315,434.17 worth of tools x 67 member agencies x 6,592 volunteers x \$9,463.03 actual cost = New playgrounds, trainings, revitalized parks, campgrounds and community centers.

Veterans Impact

\$223,743.37 worth of tools x 7 member agencies x 2,592 volunteers x \$6,712.30 actual cost = Disaster response, trainings, resource center renovations and maintenance of veterans homes.

Seniors and Housing Impact

\$102,448.21 worth of tools x 10 member agencies x 1,790 volunteers x \$3,073.45 actual cost = New & repaired roofs, plumbing, weatherization projects, handicap walkways, fresh paint and landscaping.

The Tool Training Center is a collaborative educational center bridging critical gaps in the areas of tool use, repair & safety, workforce development, youth and young adult introduction to tools & trades and disaster preparedness.
