Youth Summer Series

The Atlanta ToolBank Tool Training Center provides learning opportunities in tool use, repair, and trade skills development. Over 350 individuals are educated at the Training Center every year.

Introducing Youth to Tools & Trades

Our Virtual Youth Summer Series focuses on introducing youth and young adults to proper tool use and safety through building their own project in a fun learning session. Due to COVID-19, we have adjusted our 6-week in-person program by providing opportunities for single-day classes to fit any schedule.

Partnership Opportunities
